(d) You hereby acknowledge and agree that Linden Lab may include Your Contribution in the Work under any license, including copyleft, permissive, commercial, or proprietary licenses; provided however, that Linden Lab agrees to license your Contribution, in perpetuity, under the terms of the license(s) which Linden Lab is using for the Work as of the date of this Agreement (as reflected below) or the LGPL v2.1 license, in Linden Lab's discretion.

5. Except as set forth above, you retain all right, title and interest in and to your Contribution and may use your Contribution for your own purposes.
6. You represent that each of the Contributions is your original creation or you have a lawful right to submit each of the Contributions and grant Linden Lab the rights to such Contributions that you are granting in this Agreement. You represent that your Contribution submissions include complete details of any third-party license or other restrictions (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of your Contributions.
